Hay pocos temas históricos que hayan tenido y sigan teniendo tanta profusión editorial y en tantas lenguas diferentes como lo es el de la Guerra Civil y la Revolución Social en la España de 1936. Sin embargo, esto no ha impedido que sean muchos los hechos históricos que quedan todavía por conocer y muchas las preguntas que quedan aun sin respuesta, y entre estos hechos destacan, sin duda, los acontecimientos de Mayo del 37 y el papel desempeñado en los mismos por la Agrupación Los Amigos de Durruti. En una ciudad de sombras, solo sus besos podrían devolverle la luz. Orlando Landucci conocía bien la oscuridad que se escondía tras el deslumbrante esplendor de la ciudad de Florencia, por eso cuando le arrebataron a su adorada hermana, prometió vengar su muerte. Pero algo cambió dentro de él nada más ver por vez primera a la inocente Isabella Spinola. Era la hermana de su mayor enemigo, pero aun así, Orlando sentía el impulso irrefrenable de

cuidar de ella. Y, con cada uno de los besos prohibidos que le daba, aumentaba su sentimiento de traición. Cuando por fin llegara el momento de llevar a cabo su venganza, ¿podría el vínculo que lo unía a Isabella hacerle olvidar para siempre tanta oscuridad? Named one of "The 20 Greatest Ever Romance Novels According to Goodreads Reviews" by O, The Oprah Magazine Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a stodgy country gent seems likely, but what Ava finds instead is Jesse Ward--a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her. "Rodolfo Usigli (1905-1979), además de teatro escribió poesía y novela policíaca; fue ensayista y crítico brillante. Como dramaturgo escribió drama histórico, sátira social, política y comedia. El gesticulador, reconocida como su más grande obra, retrata y denuncia la corrupción surgida desde el inicio de la Revolución mexicana, por lo que fue motivo de controversias, apasionamientos y censuras. Varias de sus piezas figuran entre las principales creaciones del teatro moderno mexicano ya que reflejan, además de su inquebrantable vocación, la maestría para crear personajes de perdurable validez."--Publisher's description. Earth, in common use for architectural construction for thousands of years, has in the past thirty years attracted renewed attention as a healthy, environment-friendly and economical building material. What needs to be considered in this context? The manual Building with Earth, which has been translated into many languages, describes the building technology of this material. The physical properties and characteristic values are explained in a hands-on manner: With proper moisture protection, earth buildings are very durable, and in particular the combination with wood or straw allows a wide spectrum of design options. Numerous built examples demonstrate the range of applications for this fully recyclable material. De los más de mil relatos cortos escritos por Robert Walser unos cien versan sobre el amor. Volker Michels, germanista y autor del epílogo que acompaña esta edición, seleccionó en 1978 ochenta y los ordenó cronológicamente. Estos relatos demuestran la gran variedad del registro expresivo de Robert Walser y dan fe de la evolución de un autor que tenía un concepto poco convencional del amor y del erotismo. En ellos se manifiesta un desmesurado amor mundi que lo envuelve todo, las muchachas y los pájaros, las nubes y las mujeres distantes, las flores en los prados y los enamorados que se tumban sobre ellos con su mirada benévola pero también pícaro. Con graciosas caricias poéticas, abundantes diminutivos y giros verbales absolutamente delirantes, Robert Walser recoge todo lo que le viene a las mientes para conformar un mundo palpitante de comunicación amorosa y de placer. Son éstas, en suma, unas historias plenas de un humor corrosivo contra la hipócrita moral burguesa, en las que también aparecen irónicas imitaciones de la literatura amorosa y recreaciones burlescas de los sueños de la adolescencia. Lucía no había vuelto a pensar en Asher, el vecino que le

robó su primer beso cuando vivía en Londres con su familia, pero cuando viaja hasta allí para visitar a sus padres y se lo encuentra frente a su antigua casa, los recuerdos no tardan en regresar. Sin embargo, Lucía va a darse cuenta muy pronto de que Asher oculta mucho más de lo que muestra, y que puede que no quede nada del chico tímido y de mirada triste que conoció tiempo atrás. Entre canciones y cuentos de hadas, ambos se verán arrastrados por una complicidad que creían olvidada y por más pasión de la jamás hayan llegado a sentir por nadie. Pero, en ocasiones, volver al pasado trae consigo recuerdos demasiado dolorosos. ¿Quién se arriesgaría a enamorarse si todo lo que te ha traído el amor hasta ahora ha sido sufrimiento?

often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. Su historia de amor comenzó intensa y apasionadamente. La princesa Adeline y Josh Jameson sabían que cualquier futuro juntos era imposible: su estatus de princesa y la posición de él como un galán de Hollywood lo impedían. Pero las cotas de placer a las que podían llevarse mutuamente fueron totalmente inesperadas. Y poco a poco los límites se hicieron más y más borrosos: lo físico se volvió emocional, y sus corazones se entrelazaron. Pero un giro cruel de los acontecimientos vendrá a amenazar su historia y Adeline se verá más atada que nunca al protocolo que exige su título. El ejército de asesores reales que esconden los secretos y escándalos de la monarquía hará todo lo posible para mantener a raya a los medios... y a Josh lejos de Adeline. Sin embargo, Josh se niega a perder a la mujer que lo ha consumido por completo y ha sido capaz de distorsionar sus límites. ¿Triunfará el poder de la monarquía británica? ¿O cambiará su

intenso amor el curso de la historia? Kelsey Summers is looking for love in all the wrong places... A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world. «Los diálogos son admirables, tanto como los personajes que acompañan al protagonista, y las situaciones y sensaciones que se suceden son tan francas y espontáneas que cuesta abandonarlas y dejar de vivir en el genuino mundo de Fernández». I could read this book a hundred times and still react as if it was the first time. The Protector is a top 2016 fave for me.' Audrey Carlan, bestselling author of The Calendar Girl series Ellen DeGeneres published her first book of comic essays, the #1 bestselling My Point...and I Do Have One, way back in 1996. Not one to rest on her laurels, the witty star of stage and screen has since dedicated her life to writing a hilarious new book. That book is this book. After years of painstaking, round-the-clock research, surviving on a mere twenty minutes of sleep a night, and collaborating with lexicographers, plumbers, and mathematicians, DeGeneres has crafted a book that is both easy to use and very funny. Along with her trademark ramblings, The Funny Thing Is...contains hundreds of succinct insights into her psyche, supplemented by easy-to-understand charts, graphs, and diagrams so that you'll never miss a joke. Overseeing all aspects of production, DeGeneres labored over details both significant and insignificant, including typefaces, page number placement, and which of the thousands of world languages to use. Ultimately she selected English, as it's her mother tongue, but translations into Hindi and Pig Latin are already in the works. DeGeneres takes an innovative approach to the organization of her book by utilizing a section in the beginning that includes the name of each chapter, along with a corresponding page number. She calls it the "Table of Contents," and she is confident that it will become the standard to which all books in the future will aspire. Some of the other innovative features you'll find in this edition: • More than 50,000 simple, short words arranged in sentences that form paragraphs. • Thousands of observations on everyday life -- from terrible

fashion trends to how to handle seating arrangements for a Sunday brunch with Paula Abdul, Diane Sawyer, and Eminem. • All twenty-six letters of the alphabet. Alanís Aldrich es una huérfana del siglo XIX a quien adoran, amparan y educan unas monjas de un convento en la ciudad española de Granada (Andalucía) a principios de dicho siglo. Las revueltas contra los franceses invasores durante la invasión napoleónica en España no pudieron impedir el incendio causado por las tropas francesas del convento de Santa Catalina de Siena, donde Alanís, junto a otros niños, recibían el abrigo de las monjas dominicas. Afortunadamente, tras el trágico suceso, el convento resurge de sus cenizas y los pequeños desamparados que protegen las religiosas

Alanís nos revela, de la mano de pintores de renombre mundial, uno de los secretos del arte pictórico más celosamente callado durante siglos, que desvela la existencia de seres extraterrenales desde tiempos inmemoriales coexistiendo con el ser humano. ¿Seremos capaces de admitir la verdad de un cosmos lleno de vida plural donde multitud de dimensiones espaciales se desenvuelven entre sí mientras el mosaico del infinito manifiesta su apoteósica superioridad? A handsome king. A perfect match . . . or is it? A love story by Rainbow Rowell, the New York Times bestselling author of Eleanor & Park. Cath and Wren are identical twins, and until recently they did absolutely everything together. Now they're off to university and Wren's decided she doesn't want to be one half of a pair any more - she wants to dance, meet boys, go to parties and let loose. It's not so easy for Cath. She's horribly shy and has always buried herself in the fan fiction she writes, where she always knows exactly what to say and can write a romance far more intense than anything she's experienced in real life. Without Wren Cath is completely on her own and totally outside her comfort zone. She's got a surly roommate with a charming, always-around boyfriend, a fiction-writing professor who thinks fan fiction is the end of the civilized world, a handsome classmate who only wants to talk about words . . . And she can't stop worrying about her dad, who's loving and fragile and has never really been alone. Now Cath has to decide whether she's ready to open her heart to new people and new experiences, and she's realizing that there's more to learn about love than she ever thought possible . . . Fangirl by Rainbow Rowell comes with special bonus material; the first chapter from Rainbow's irresistible novel Carry On.
