**Learn to Code HTML and CSS** Mar 28 2022 HTML and CSS can be a little daunting at first but fear not. [Jefferson Square](#) Nov 11 2020 Jefferson Square was a multi-million dollar culture center...but there was nothing at all cultural about some of the

things that happened there during its grand opening in the Sixties. At the Repertory Theater, a play called Confessional was in rehearsal. Some called it dramatic literature. Others considered it a tasteless exploitation of the playwright's former marriage to America's queen of sex. In the expensive interior of Symphony Hall, the brilliant and erratic conductor of the Jefferson Square Symphony Orchestra was working feverishly on a new concerto while his private life was rushing toward its own scandalous crescendo. In the board room, the dream of the state's governor for a presidential nomination was interrupted by the discovery that Jefferson Square was making this rich man richer. And in the executive offices, where architects' drawings were still being argued over, Jefferson Square's recently hired cultural director was being tempted to destroy what he had been employed to hold together. Jefferson Square provides a fascinating glimpse of life behind the scenes in the midst of the creation of a new urban cultural epicenter, a symbol of the gentrification forcing out longtime neighborhood inhabitants. From the glitz and the glamor of Jefferson Square proper, to the hardships faced by residents of the condemned projects in the area, Gerson brings microcosms of the Sixties to Technicolor life.

**Defending Her Honor** May 18 2021 Her Honor Judith Frick waits, tied to the bedpost, for her husband to come back to bed, but the man who enters in a chickadee mask is not Walter, but an intruder who stuffs a pillow over her face until she blacks out. When she opens her eyes again, the police are swarming through her bedroom and Walter lies dead in the kitchen with a knife in his belly. Lieutenant Patricia Newman holds a grudge against Her Honor for an old case that forced a sergeant off the force, and is determined to arrest the judge for Walter's murder. Judith turns to her old flame, Jack Stryker, to confirm her taste for bondage. Jack is on disability after a crack-house explosion, but he cannot let it go at that. Assisted by Aisha Adams, a former prostitute, he tries to clear Judith's name by finding Walter's killer, a trail that leads him through a real-estate scandal and Walter's possible infidelity. At the same time, Jack tries to help madam Maggie Malloy, whose working girls are turning up dead. Like Jack and Judith, Maggie and Jack have history—in fact, the same history, of a single night. The link between Her Honor's case and Maggie's is the key to the mystery and the only hope of stopping a string of apparently unrelated deaths. To defend Her Honor from a charge of murder and Maggie's girls from a killer, Jack must recover his vision, both of the case in front of him and the night that changed their lives forever.
