We are working with Cambridge Assessment International Education to gain endorsement for this title. Develop theoretical and practical IT skills with this comprehensive Student's Book written by experienced authors and examiners specially for the updated Cambridge International Education A Level Information Technology syllabus (9626). - Improve understanding of concepts and terminology with clear explanations, labelled illustrations, photographs, diagrams, plus a glossary of key terms - Develop theoretical and practical skills with a range of exercises (multi choice through to discussion type questions), exam-style questions, step-by-step instructions and example answers that all ensure skills are developed alongside knowledge - Follow a structured route through the course with in-depth coverage of the full syllabus Also available in the series: Cambridge International AS Level Information Technology Student's Book 9781510483057 Cambridge International AS Level Information Technology Student eTextbook 9781510484429 Cambridge International AS Level Information Technology Whiteboard eTextbook 9781510484436 Cambridge International AS Level Information Technology Skills Workbook 9781510483064 Cambridge International A Level Information Technology Student eTextbook 9781398307018 Cambridge International A Level Information Technology Whiteboard eTextbook 9781398307025 Cambridge International A Level Information Technology Skills Workbook 9781398309029 Cambridge International AS & A Level Information Technology Online Teacher's guide - coming soon The MediFocus Guidebook on Reflex Sympathetic Dystrophy is the most comprehensive, up-to-date source of information available. You will get answers to your questions, including risk factors of Reflex Sympathetic Dystrophy, standard and alternative treatment options, leading doctors, hospitals and medical centers that specialize in Reflex Sympathetic Dystrophy, results of the latest clinical trials, support groups and additional resources, and promising new treatments on the horizon. This one of a kind Guidebook offers answers to your critical health questions including the latest treatments, clinical trials, and expert research; high quality, professional level information you can trust and understand culled from the latest peer-reviewed journals; and a unique resource to find leading experts, institutions, and support organizations including contact information and hyperlinks. This Guidebook was updated on July 6, 2018. Must she pay for the sins of her mother? Miss Charlotte Danvers has just received a life-altering shock. After spending most of her life in France in an elite school for girls, first as a student, and then as a teacher, she decides to return to London and take up residence with her mother. When she arrives at her mother's townhouse in London, she is

stunned to discover that the woman who raised her is the well-known courtesan, Mrs. Danforth. After an angry and tearful confrontation with her mother, Charlotte leaves London and makes her home in Bath. All goes well until she meets Mr. Carter Westbrooke, close friend and business partner of Charlotte's best friend's husband, Lord Berkshire. After only a few weeks, Mr. Westbrooke declares his intentions to Charlotte to make her his wife. She can be no one's wife but cannot bring herself to tell him why. Must she run again? *****

The Merry Misfits of Bath is a brand-new Regency romance series from USA Today bestselling author Callie Hutton. Each standalone story features a heroine who doesn't quite fit in but who finally finds her happy ever after with a hero who sees her through the eyes of love.

Psychosocial Rehabilitation is a comprehensive ready-reference for mental health practitioners and students, providing practical advice on the full range of interventions for psychosocial rehabilitation. It contextualises the interventions described and provides pointers to enable the reader to explore the theory and research. This manual recognises the wide-ranging impact of mental illness and its ramifications on daily life, and promotes a recovery model of psychosocial rehabilitation and aims to empower clinicians to engage their clients in tailored rehabilitation plans. The book is divided into five key sections. Section 1 looks at assessment covering tools available in the public domain, instruments, scoring systems, norms and applications for diagnosis and measurement of symptoms, cognitive functioning, impairment and recovery. Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process, impact and outcome. Section 3 provides manuals and programs for intervention effectively provided as group activities. Section 4 explains how to design a full programme that integrates therapeutic interventions with group programmes as well as services provided by other agencies. The final section looks at peer support and self help, providing manuals and resources that support programmes and interventions not requiring professional or practitioner direction.

Autumn in London is the second part of The Empire State Series, a series of three novellas. The series starts in A Week in New York and concludes in New Year in Manhattan. Anna Kirby went to New York to escape heartbreak and have some fun. She wasn't meant to meet someone . . . someone like Ethan. Now, back in London, she's having to get over a man who's three thousand miles away.... Ethan Scott broke every one of his rules during his week with Anna and now he can't seem to go back to life before her. A business trip to London gives him the opportunity to change his rules for good. Will he take it? What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. I devoured every page!" -New York Times Bestselling Author Lisa Renee Jones "Delivers both swoon-worthy and wickedly seductive moments that will have you desperate for more." -New York Times Bestselling Author Lisa Renee Jones "This book is deliciously HOT. I loved reading it." Layla Hagen, USA Today bestselling Author "Off the charts sexual tension and chemistry...I ravished every page!" -Audrey Carlan, #1 NYT Bestselling Author "A swoony hero with a British accent and a heroine you will root for. Don't miss this!" Jana Aston, NYT Bestselling Author "Hot sex, great banter, a cocky British boss and one of my favorite heroines to date. This book is a must-read and one of my favorite romances this year!" LJ Shen, USA Today Bestselling Author "Everything that a romance junkie could ever want in a contemporary romance. Once you start, there is not setting this sucker down. An absolute PAGE-TURNER." Shayna's Spicy Reads "Alexander and Violet stole my heart! Their chemistry rolls off the page. Seeing the broody and incredibly hot Brit falling for Violet made me swoon. If you love hot and romantic reads, then The British Knight is a MUST read." Layla Hagen, USA Today Bestselling Author "A funny, hot, and expertly crafted romance that was a joy to read." Guilty Pleasures Book Reviews "I loved every page. Red hot scenes, tender moments and the usual roller coaster of emotions Louise loves to instil in her works, that makes her books so exhilarating to read. A perfect 5 star read." Two Girls and Their Kindle "A hilariously funny and heart wrenching story that will pull at your heartstrings." Who Gives a Hoot Reviews "Beautifully written with the perfect balance of sugar and spice! Five beautiful stars!" Espresso Reviews "Like a really good rom-com movie except with really hot sex thrown in." Kitty Kats Crazy about Books "A brilliant read. Full of angst, with bites of

humor and lots of steam, it also has a real sweetness about it. Another MUST READ from a really talented storyteller." Perusing Princesses "An amazing love story." She's a Lip Biter "Friends to lovers is a favorite trope of mine and this is right up there with the best of them." Tanja, KT Book Reviews "Just when I think her books can't get any better, she writes another one and it outshines the previous ones. This is a sweet and sexy, friends-to-lovers contemporary romance with all the feels -- heartwarming, breathtaking, and sexy all rolled into one interesting and intriguing plot." Tracey, Goodreads reviewer "If you love a good friends to lovers with a side helping of slow burn, this book is for you. Don't hesitate, grab it with both hands. Noah and Truly will steal your heart and you will let them gladly." Perfect for the fans of Vi Keeland, Corinne Michaels, Kendall Ryan, Tijan, Piper Rayne, Lexy Timms, Josie Silver, Robyn Carr, Beth O'leary, Natasha Madison, Laurelin Paige, Kate Aster, Elle Kennedy, Kennedy Fox, Layla Hagen, Helen Hardt, Meredith Wild, J.S. Scott, Nana Malone, T.L. Swan, Carrie Ann Ryan, Julia Quinn, LJ Shen, Layla Hagen, Penelope Ward, Kristen Proby, Tijan, Ilsa Madden-Mills, Emma Chase, Melanie Harlow, Carly Phillips, Emily Henry, Christina Lauren, and Lauren Blakely Should she live in fear, or turn to the man who she once rejected? Lady Pamela Manning has happily made her home in Bath after several disastrous Seasons in London. Although she sings like an angel, Pamela cannot complete a full sentence without stuttering. The life of a social recluse with two friends whom she adores is fine with her, and she easily dismisses the attentions of Mr. Nicolas Smith, the owner of an exclusive gambling club in Bath. However, something strange is going on in the boarding house where she lives, and she is afraid she has accidentally stumbled into a dangerous situation. Who else can she turn to, except a man who grew up on the streets and the most likely person to help and protect her? Mr. Nicolas Smith. Lady Louisa Darby blames herself for her mother's death when the Darby sisters were still so young and has dedicated her life to ensuring her sisters' happiness. So when she's lured into a compromising situation that will endanger her youngest sister's chance at a happy marriage, Louisa will do whatever is necessary to protect her family's reputation and save her sister's chance at the future she deserves. Even if it means marrying the Beastly Duke. Sebastian Fielding, the Duke of Waverly, has spent years cultivating his reputation as the Beastly Duke to ensure he'll never make the mistake of falling in love and

repeating his father's fatal mistake. But when honor calls on him to marry Lady Louisa Darby, his best intentions may not be good enough. For not even a beast can withstand the charms of the belle of the ball. The Duke and the Lady is the second book in the steamy, heart-stopping historical romance series, The Unwanted Dukes. If you love sexy, spellbinding romance and heartwarming humor, don't miss this captivating series from bestselling author Jessie Clever. Discover adventure and romance when you download The Duke and the Lady today. While Universal's Dracula and Frankenstein (both 1931) have received the most coverage of any of the studio's genre releases, it is the lesser known films that have long fascinated fans and historians alike. Starting with The Last Warning, a 1929 movie released as both a silent and a talkie, Universal provided a decade of films that entertained audiences and sometimes frustrated critics. Each of Universal's horror, science fiction and "twisted mystery" films receives an in-depth essay for each film. The focus is first on the background to the making of the movie and its place in the Universal catalog. A detailed plot synopsis with critical commentary follows. Filmographic data for the film conclude the entry. Universal's The Shadow short film series is covered in an appendix. Many rare illustrations and movie posters are also included. Proceedings of SPIE present the original research papers presented at SPIE conferences and other high-quality conferences in the broad-ranging fields of optics and photonics. These books provide prompt access to the latest innovations in research and technology in their respective fields. Proceedings of SPIE are among the most cited references in patent literature. A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. Her. A Deal with the Devil is book two in the Devil trilogy by USA Today bestselling author Amelia Wilde. The Devil and the Deep Blue Sea must be read first. Provides information on developing modular applications using OSGi and the Spring Dynamic Modules. As the hunt for the Ghost heats up, Detective Silas Warren and Madison Corman do their best to leave no stone unturned, but when Captain Fletcher tells the media the crimes are being committed by a copycat, the duo thinks his lies might have scared their killer away. Is he in hiding or is he meticulously planning his next kill? The aim of Molecular and Nano Electronics: Analysis, Design and Simulation is to draw together contributions from some of the most active researchers in this new field in order to illustrate a theory guided-approach to the design of molecular and nano-electronics. The field of molecular and nano-electronics has driven solutions for a post microelectronics era, where microelectronics dominate through the use of silicon as the preferred material and photo-lithography as the fabrication technique to build binary devices (transistors). The construction of such devices yields gates that are able to perform Boolean operations and can be combined with computational systems, capable of storing, processing, and transmitting digital signals encoded as electron currents and charges. Since the invention of the integrated circuits, microelectronics has reached increasing performances by decreasing strategically the size of its devices and systems, an approach known as scaling-down, which simultaneously allow the devices to operate at higher speeds. * Provides a theory-guided approach to the design of molecular and nano-electronics * Includes solutions for researchers working in this area * Contributions from some of the most active researchers in the field of nano-electronics Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last

thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard— maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind. "The moment I laid eyes on Kyle Kingston I knew he was a mistake. A satisfying, toe curling, hair pulling, best night of my life mistake, but a mistake all the same. I didn't yet know his name, or who he was, but I knew he was a bad idea. I take comfort in that, because it means my instincts are still good. Too late, but it's something. Because, FYI, I'm pregnant." -- Back cover. I have debts to pay and secrets to keep. When someone threatens my life, I crash into him: Jackson Ludlow The recluse billionaire of New York Once, he had everything a man could want. Then, he lost the only thing that he ever loved. So, he spent four years holed up in his mansion doing the only thing he knew how to do: make money. We are all wrong for each other. He's cold, uninterested and demanding. I'm impatient and inexperienced. The only thing we have in common is that we both have secrets. And the closer we get, the more they threaten to destroy us. Praise for Charlotte Byrd's *Black Edge* "Decadent, delicious, & dangerously addictive!" - Amazon Reviewer "Titillation so masterfully woven, no reader can resist its pull. A MUST-BUY!" - Bobbi Koe, Amazon Reviewer "Captivating!" - Crystal Jones, Amazon Reviewer "Exciting, intense, sensual" - Rock, Amazon Reviewer "Sexy, secretive, pulsating chemistry..." - Mrs. K, Amazon Reviewer "Charlotte Byrd is a brilliant writer. I've read loads and I've laughed and cried. She writes a balanced book with brilliant characters. Well done!" -Amazon Reviewer "Fast-paced, dark, addictive, and compelling" - Amazon Reviewer "Hot, steamy, and a great storyline." - Christine Reese "My oh my....Charlotte has made me a fan for life." - JJ, Amazon Reviewer "The tension and chemistry is at five alarm level." - Sharon, Amazon reviewer "Hot, sexy, intriguing journey of Elli and Mr. Aiden Black. - Robin Langelier "Wow. Just wow. Charlotte Byrd leaves me speechless and humble... It definitely kept me on the edge of my seat. Once you pick it up, you won't put it down." - Amazon Reviewer "Sexy, steamy and captivating!" - Charmaine, Amazon Reviewer "Intrigue, lust, and great characters...what more could you ask for?!" - Dragonfly Lady "An awesome book. Extremely entertaining, captivating and interesting sexy read. I could not put it down." - Kim F, Amazon Reviewer "Just the absolute best story. Everything I like to read about and more. Such a great story I will read again and again. A keeper!!" - Wendy Ballard "It had the perfect amount of twists and turns. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything." - Khardine Gray, Bestselling Romance Author This is an overview of the fast-moving field of purinergic signalling through adenosine and ATP receptors. Authors are the leading authorities in their fields Subject matter is important for understanding tissue protection Subject matter is of intense interest for new drug development Surveying for Construction 5e is an essential textbook for students of engineering new to surveying, and will also appeal to students of building and environmental studies and archaeology. Offering a strong grounding in land and construction surveying, the authors clearly and comprehensively guide the reader through the principles, methods and equipment used in modern-day surveying. Taking into account recent advances in the field, the material has been fully updated and revised throughout including new and up-to-date coverage of levelling, total stations, detail surveys, and EDM. A new chapter on GPS technology has been added. In keeping with the practical nature of the book, there are chapters on setting out construction works and surveying existing buildings, which guide the reader step-by-step through the fundamental procedures. The clear and methodical nature of the explanations, supported by a wide range of exercises and examples, make Surveying for Construction 5e an invaluable and modern introduction to

surveying. Key features include:

- Fully updated coverage and new material throughout, including a new chapter on GPS
- New Learning Objectives and Chapter Summaries which guide the student through the learning process and highlight the key principles and methods for each chapter
- Numerous diagrams and figures which give students a clear and detailed understanding of equipment and procedures
- Extensive boxed examples and exercises that guide students through real-world surveying methods and calculations
- Website material: online material for creating your own surveying project allows students to practice the methods and techniques they have learnt

The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

Fake dating my sworn enemy to make my ex so jealous he can't see straight? Worth it. Silas and I agree on one thing, and one thing only: my ruthless, heartless, narcissistic jerk of an ex-fiancee needs to be taken down a notch. So we do what anyone would do: we pretend to be a couple. Even though Silas and I are polar opposites. Silas is a loud, cheerful, over the top showboat. He's his hometown's golden boy, the Marine who came back to rescue kittens from trees and walk old ladies across the street. And me? I'm the awkward new girl who freezes up around strangers and can't make small talk to save my life. It shouldn't work. We can barely have a conversation without arguing. There's no way we should be friends, let alone dating, except... Everyone believes it. Especially my ex. Now I'm having way too many real fantasies about the man who gets on my last nerve. My fake boyfriend is starting to feel a whole lot like a real one. The kisses feel real. The way he protects me feels real. The night we spend together in a hotel bed feels very real. This was supposed to be fake, but I think I might have fooled myself most of all.

The One Month Boyfriend is the first book in the Wildwood Society series, and can be read as a total standalone. It's for fans of high heat enemies-to-lovers romantic comedies, and features two enemies who fake date for revenge, a quirky, charming small town, a former military cinnamon roll hero, a grumpy heroine who's charmed despite herself, anxiety and PTSD representation, and plenty of steamy scene. Of course, there's an HEA.

The color photographs and illustrations appearing in select monographs over the past decade represent a significant advance in surgical communication. Previously, black and white renderings were standard because color printing had not been perfected and its cost was prohibitive. We believe the gradual change from black and white etchings and reproductions to detailed color illustrations represents a tremendous twentieth century achievement. In our own urologic practices it became evident that the use of black and white sketches for teaching operative urology, while helpful, left too much to the surgeon's imagination. Even the dimension of depth, produced by varying the intensity of shading, often was inadequate in demonstrating subtle surgical details in a fossa or bed. Since color photography recently has been used to demonstrate operative techniques, we climbed on the bandwagon and photographed in color many of the major operative procedures. However, the reflection of light caused by normal tissue fluid significantly reduces the clarity of photographs. Not infrequently, the crucial operative step is obscured by light reflected on a trickle of blood. Even when meticulous care is taken to irrigate and clean the surgical field, the tissue sheen obscures portions of the field. Color paintings by a gifted artist are not only unique, but can be extraordinary; the vividness with which subtleties can thus be portrayed cannot be matched by photography, black and white or color. If a picture is worth a thousand words, then it's a good bet that at least half of those words relate to the picture's copyright status. Art historians, artists, and anyone who wants to use the images of others will find themselves awash in byzantine legal terms, constantly evolving copyright law, varying interpretations by museums and estates, and despair over the complexity of the whole situation. Here, on a white—not a high—horse, Susan Bielstein offers her decades of experience as an editor working with

illustrated books. In doing so, she unsnarls the threads of permissions that have ensnared scholars, critics, and artists for years. Organized as a series of “takes” that range from short sidebars to extended discussions, *Permissions, A Survival Guide* explores intellectual property law as it pertains to visual imagery. How can you determine whether an artwork is copyrighted? How do you procure a high-quality reproduction of an image? What does “fair use” really mean? Is it ever legitimate to use the work of an artist without permission? Bielstein discusses the many uncertainties that plague writers who work with images in this highly visual age, and she does so based on her years navigating precisely these issues. As an editor who has hired a photographer to shoot an incredibly obscure work in the Italian mountains (a plan that backfired hilariously), who has tried to reason with artists' estates in languages she doesn't speak, and who has spent her time in the archival trenches, she offers a snappy and humane guide to this difficult terrain. Filled with anecdotes, asides, and real courage, *Permissions, A Survival Guide* is a unique handbook that anyone working in the visual arts will find invaluable, if not indispensable. 'One of Singapore's finest living authors' *South China Morning Post* 'Simply glorious. Every nook and cranny of 1930s Singapore is brought richly to life' *CATRIONA MCPHERSON* 'Charming' *RHYS BOWEN* 'One of the most likeable heroines in modern literature' *SCOTSMAN* _____

Has Su Lin summoned a tree demon who is now killing on her behalf? The overpoweringly fragrant flowers, snakelike vines and deadly fruit of the cannonball tree are enough to keep most people away. But when a piece of expensive photographic equipment is found nearby, on closer inspection Su Lin discovers the body of Mimi, her horrible relative who has been trying to blackmail her. Su Lin is not the only one to realise how much easier this death makes things for her in the new normal of life in Syonan (Japanese Occupied Singapore). And then more fortuitous deaths follow. But is someone really killing people on her account? As Su Lin contends with the fear and rancour of those around her, the resentment of former friends and a whistling demon, can she hope not only to survive but untangle the cannonball tree's secrets to prevent further deaths... and possibly turn the tide of the war? _____

Praise for Ovidia Yu: 'Chen Su Lin is a true gem. Her slyly witty voice and her admirable, sometimes heartbreaking, practicality make her the most beguiling narrator heroine I've met in a long while' *Catriona McPherson* 'Charming and fascinating with great authentic feel. Ovidia Yu's teenage Chinese sleuth gives us an insight into a very different culture and time. This book is exactly why I love historical novels' *Rhys Bowen* 'A wonderful detective novel . . . a book that introduces one of the most likeable heroines in modern literature and should be on everyone's Must Read list' *Scotsman* 'Unassuming, brilliantly observant' *SCMP* 'Ovidia Yu's writing helped me peel back the layers to understand Singapore. The story and Chen Su Lin's initiative and tenacity, set against a backdrop of wartime Singapore, intrigued both the historian and the mystery lover in me' *Kara Owens CMG CVO, British High Commissioner to Singapore* *MfM ménage romance from USA Today bestselling author Julia Sykes* Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? **Keywords:** *MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult* *The Matrix Model for Teens and Young Adults Therapist Manual* Rehabilitation should not stop when the disabled person is discharged from hospital, and many neurological patients require ongoing rehabilitation in order to maximize their functional abilities, minimize complications and promote full participation at home and in the community. This book analyses community rehabilitation needs from many different perspectives, including the views of disabled people, rehabilitation clinicians and service providers. Many examples of community rehabilitation schemes are presented, with evidence for their effectiveness, and case studies are used to highlight the main issues. The authors take an international view, and there are

chapters dealing with the disabled child in the community and with neuropsychological rehabilitation. This important book examines the growing trend towards community rehabilitation in neurology and is directed towards all clinicians involved with neurorehabilitation. John Joseph wants men to know, in no uncertain terms, that they don't need to eat steak, burgers, wings, ribs, or any other animal product, for that matter, to be strong—in fact, he would argue, eating animals is for the weak. Because when your protein sources come from animals, you're missing out on all of the nutritional benefits of a plant-based diet—a diet that can make you more fit, more sexy, and more manly. In *Meat is for Pussies*, Joseph presents a throw-down of information, offering both personal and scientific evidence that a plant-based diet offers the best path to athleticism, endurance, strength, and overall health. In addition to handily dispelling the myths surrounding meat, Joseph offers workout advice, a meal plan, and recipes that make going plant-based easy. Flavor and vitamin-packed options like the Working Man Stew and Veggie Chili with Cornbread will keep men's (and women's) bodies healthy and energized, while workouts that emphasize cardio and strength training build endurance and stamina and prove that you don't need meat to build muscle. Joseph also offers living proof that living a plant-based lifestyle is badass, from super-athlete Brendan Brazier to MMA champion Jake Shields to Joseph himself, who is an Ironman Triathlete and still rocking out (at the age of fifty-two) on world tours as the frontman for his legendary band the Cro-Mags. Joseph's passion for educating the world about the benefits of a plant-based diet comes through on each page, in a voice and a vocabulary that is uniquely his own. At the end of the day, he wants readers to live a long, healthy, happy life . . . and he won't take no for an answer. A comprehensive shopping guide and restaurant section covering everything from Irish Stew to the best French cuisine highlight this guide to the beautiful city on the Emerald Isle.

OCR Information and Communication Technology GCSE Student's Book has been published to support OCR's new specification. Written by highly experienced senior examiners and teachers, the text covers the four units of the course: - ICT in Today's World - Practical Applications in ICT - ICT in Context - Creative use of ICT and Coding a solution The core knowledge and understanding required by students for the examined units is provided through an accessible and comprehensive narrative. Tasks and exam-style questions are provided throughout the chapters, providing students with opportunities to prepare for the exams. Students are also provided with support in tackling the tasks demanded by Units 2 and 4a / 4b of the course.

Molecular Associations in Biology provides information pertinent to molecular biology. This book discusses several topics, including DNA replication, calculation of intermolecular energies, and thermodynamic parameters of polynucleotides. Organized into 35 chapters, this book starts with an overview of the specific association of the purine and pyrimidine bases in the nucleic acids, which provides the basis for storage, expression, and transmission of genetic information. This text then explores the secondary structures, interactions, and replication processes of nucleic acids. Other chapters consider the complex biological process of protein synthesis. This book discusses as well the methods of photodynamic action, which is significant in detecting energy transfer from dye to the biomolecule and identifying the free radicals produced. The final chapter deals with the macroscopic properties of molecular systems, which refer to such concepts as volume, mass, pressure, temperature, and pH. This book is a valuable resource for biophysicists, organic chemists, biochemists, and biologists.

The moment AJ Walsh sees the sexy, tattooed pixie walk up to his bar, it's lust at first sight. He's always been labeled the "nice" guy—opening doors, buying flowers, and never, ever having one-night stands. But with this wicked little angel with red lips and unfathomably dark eyes? Oh, yeah. Tonight, "nice" has nothing to do with it... Brett Conlon is trying to convince her family that she's put away her reckless wild girl side for good. Nothing—and no one—could be better for her reputation than golden boy AJ Walsh. So they make a deal: if he plays The Good Boyfriend for her family, he can be a very, very bad boy with her. Now their one naughty night is about to turn into a whole lot of trouble... Each book in the After Hours series is STANDALONE: * One Night of Sin (novella) * One Night of Scandal * One Night of Trouble

Microsoft Project is brimming with features to help you manage any project, large or small. But learning the software is only half the battle. What you really need is real-world guidance:

how to prep your project before touching your PC, which Project tools work best, and which ones to use with care. This book explains it all, helping you go from project manager to project master. Get a project management primer. Discover what it takes to handle a project successfully Learn the program inside out. Get step-by-step instructions for Project Standard and Project Professional Build and refine your plan. Put together your team, schedule, and budget Achieve the results you want. Build realistic schedules, and learn how to keep costs under control Track your progress. Measure your performance, make course corrections, and manage changes Use Project's power tools. Customize Project's features and views, and transfer info directly between Project and other programs This instructive book takes you step by step through ways to track, merge, and manage both open source and commercial software projects with Mercurial, using Windows, Mac OS X, Linux, Solaris, and other systems. Mercurial is the easiest system to learn when it comes to distributed revision control. And it's a very flexible tool that's ideal whether you're a lone programmer working on a small project, or part of a huge team dealing with thousands of files. Mercurial permits a countless variety of development and collaboration methods, and this book offers several concrete suggestions to get you started. This guide will help you: Learn the basics of working with a repository, changesets, and revisions Merge changes from separate repositories Set up Mercurial to work with files on a daily basis, including which ones to track Get examples and tools for setting up various workflow models Manage a project that's making progress on multiple fronts at once Find and fix mistakes by isolating problem sources Use hooks to perform actions automatically in response to repository events Customize the output of Mercurial Mercurial: The Definitive Guide maintains a strong focus on simplicity to help you learn Mercurial quickly and thoroughly. That happy-go-lucky cartoon dog is back--in a bigger and better edition of an already great collector's guide. Boy's best friend Snoopy*r is collected by people around the world. From his joyous dance to his brave conflict with the Red Baron, he embodies what is best in the human spirit, and it's no wonder that collectors hold these images dear. Snoopy has appeared on thousands of items in the half-century since he was created by Charles M. Schulz in 1950. Here is Snoopy on household items, school supplies, books, clothing, sports, games, electronics, and more, all illustrated with over 710 color photographs. Concise captions and a brand new price guide make this a perfect book for all Snoopy fans. Happily Ever After is Only for Fairytales... Prince Clive's grown tired of his crown's heavy burden. As heir to the throne of Astos, he's one of the most sought-after bachelors in the world. When his sister gets engaged and electrifies the public with news of a royal wedding, all eyes are on Prince Clive. Will the perennial bachelor bring a date? And if yes...who? Gorgeous escort Tarryn gets the opportunity of a lifetime: accompany the handsome, reclusive prince to the royal wedding. The money for the assignment is insane—and everything she needs to turn her family's life around. But Tarryn has a troubled past, one that just might catch up to her when the press splashes her image all over the internet. Tarryn and the prince are from two different worlds. They could never be together. But their arrangement turns into a scorching, unstoppable attraction. Can true love really conquer all? Find out in this romantic, fast-paced, standalone, contemporary, royal romance from USA Today Bestselling Author Leigh James! Author's Note: Tarryn is a domestic abuse survivor. What she's gone through may be difficult for some readers. Sleeping with the enemy never felt so right...When Navy SEAL Colton "C-4" Ferguson's flight gets grounded in Miami, he'll stop at nothing to get the gorgeous brunette he meets at the airport into his bed. He's smitten from the moment her dark eyes meet his, but their steamy affair is only meant to last one night. Camila Rodriguez never expects the American man she has a passionate night with in Miami to show up weeks later in Colombia--along with his entire Navy SEAL team. Her father is one of the most notorious drug lords in Bogota, and when she's kidnapped by a rival cartel, it's Colton who rushes to her rescue. The dangerous streets of Colombia are nowhere to start a life together--but is she willing to leave everything behind and trust the man who's stolen her heart? SEDUCED BY A SEAL, a standalone novel, is book ten in the sizzling Alpha SEALs series.
