This open access volume of the AIDA Europe Research Series on Insurance Law and Regulation offers the first comprehensive legal and regulatory analysis of the Insurance Distribution Directive (IDD). The IDD came into force on 1 October 2018 and regulates the distribution of insurance products in the EU. The book examines the main changes accompanying the IDD and analyses its impact on insurance distributors, i.e., insurance intermediaries and insurance undertakings, as well as the market. Drawing on interrelations between the rules of the Directive and other fields that are relevant to the distribution of insurance products, it explores various topics related to the interpretation of the IDD - e.g. the harmonization achieved under it; its role as a benchmark for national legislators; and its interplay with other regulations and sciences - while also providing an empirical analysis of the standardised pre-contractual information document. Accordingly, the book offers a wealth of valuable insights for academics, regulators, practitioners and students who are interested in issues concerning insurance distribution.-- The Rough Guide to South America is the definitive handbook to the continent. Features include- Full-colour section introducing South America's highlights Detailed coverage and extensive practicalities for all thirteen countries, along with the Galapagos Islands and Easter Island. Vivid accounts of unmissable attractions, from the beaches of Rio and the glaciers of Patagonia to the Inca ruins at Machu Picchu. Hundreds of critical reviews on the best places to stay, eat and drink, plus details on major festivals and indigenous music. Expert advice on exploring the jungles, deserts and mountains up close, as well as crossing borders and planning multi-country trips. Maps and Plans for the entire continent. The guide opens with a colour section introducing the region's highlights with some photography and essential information on the region's diverse attractions, from enjoying an Ayurvedic massage to exploring the ruins at Hampi. It offers comprehensive and practical advice on everything from finding the best places to stay and the most comfortable means of transport, to spotting elephants in the Cardamon Hills and negotiating Mumbai. It also provides an informative insight into South India's history, religions, architecture, music and dance. There are also maps and plans for every region and town. 'A Guide to Trade Credit Insurance' is a reference book on trade credit insurance, written from an international perspective. It is a compilation of contributions from various authors and reviewers drawn from ICISA member companies. The book provides an overview of the whole process regarding trade credit insurance, including the history of trade credit insurance, trade credit insurance providers, the underwriting process, premium calculation, claims handling, case studies and a glossary of terminology. This is an essential - must have, insider's guide on "How to save money on car insurance". A former insurance advisor talks about the 14 factors that affect the Premium and how to lower your insurance quote substantially. Jargon free, yet comprehensive and easy to follow, this guide explains the overall insurance principles/concepts, the insurance company's rights, your rights as a customer, plus useful advice and suggestions. Car insurance is calculated based on multiple factors, mostly automatically. This book covers topics of insurance quote gathering process, and provides necessary information about the factors affecting the price- such as Age, Advanced Driving Tests, No Claim Discounts, Gender, Marital Status, Risk Address, License types, Car models, Excess, Additional drivers etc. Different types of Cover - Comprehensive, Third Party Fire and Theft; and Third Party Only, are also discussed. The final and crucial chapter covers the most neglected areas in the insurance industry,

Accidents, Claims and Compensation. This chapter prepares you for insurance related issues in case of an accident, preparation before and after accident situations, such as court case, procedures for making complaints and what to do in case of a hit and run driver etc. A succinct FAQ section and an Index allows readers to access required information quickly and easily. The Rough Guide to Mallorca and Menorca provides unrivalled coverage of two of the Mediterranean's most beautiful and popular islands. The guide includes sixteen pages of full colour photographs, introducing the islands' highlights from Mallorca's remote beaches to Menorca's country mansions. This guide to the Dordogne and the Lot features coverage of diverse sites (cave paintings to abbeys), details of regional activities, and reviews of the best places to stay, eat and drink in all price ranges, from campsites to chateaux. With fresh journalistic writing and reams of information on what to see and do, this guide takes readers from the big cities to the countryside. Includes candid reviews on restaurants and accommodations for all budgets. 83 maps. Full-color insert. Two-color throughout. Many Americans believe that people who lack health insurance somehow get the care they really need. Care Without Coverage examines the real consequences for adults who lack health insurance. The study presents findings in the areas of prevention and screening, cancer, chronic illness, hospital-based care, and general health status. The committee looked at the consequences of being uninsured for people suffering from cancer, diabetes, HIV infection and AIDS, heart and kidney disease, mental illness, traumatic injuries, and heart attacks. It focused on the roughly 30 million-one in seven-working-age Americans without health insurance. This group does not include the population over 65 that is covered by Medicare or the nearly 10 million children who are uninsured in this country. The main findings of the report are that working-age Americans without health insurance are more likely to receive too little medical care and receive it too late; be sicker and die sooner; and receive poorer care when they are in the hospital, even for acute situations like a motor vehicle crash. Here's How to Get the Insurance Protection You Need for Your California RCFE You already know running a home care facility takes round the clock care and attention. You also know that there are certain liabilities that come from running an RCFE, such as a resident getting hurt, or an employee having an accident. The confusing part is knowing how make sure you have the right insurance so your livelihood is not in jeopardy when you have a large or small accident at your facility. That's where we come in. We help people just like you ensure you have the right insurance coverage so you can focus on what you do best, which is giving the highest level of care you can for the residents. Step 1: Call us for a quick insurance audit. We'll review your coverage to make sure you have the right insurance coverage for your facility. Step 2: If necessary, we will then source for you the best insurance that makes sense for your business and show you where you are exposed to unnecessary risk. Step 3: We take it from here and continue to monitor your insurance needs. If something changes, we can help you incorporate the changes so you are still adequately covered. Most people think they are saving money when they get a lower quote for insurance. Not all policies are equal though and you don't want to be the guy who did not have enough or the right kind of insurance. Now you can get the insurance protection you need and sleep well at night knowing you are covered. If you'd like us to help, just send an email to: Charley@BealsAgency.com or call us at 805-379-2022 and we will take it from there. The Rough Guide to Mexico is the most comprehensive guide available and an essential companion to anyone visiting this country, whether on a package tour, backpacking or on a prolonged business trip. This fully-updated and revised 6th edition includes hundreds of incisive accounts of the sights, providing fresh takes on the well-established attractions and uncovering lesser-known gems. Detailed practical advice is given on activities in every corner of this vibrant nation from the beaches to the bustling cities to the ancient Mayan temples. The guide also includes significant historical and cultural information to give the reader a well-rounded understanding of Mexico, past and present. This is the book to read if you want to learn about life insurance. You will learn to gauge your insurance needs. Choose wisely among the different kinds of policies. Pick the right insurance agent and company. Use your policy to escape estate taxes. Build up your cash reserves tax-free with mutual fund. This is a comprehensive and up-to-the-minute handbook to

England. It includes recommendations of the best places to stay, eat and drink, in all budget ranges and in all regions. It also includes accounts of every type of attraction. TheStreet.com Ratings Guide to Health Insurers is the first and only source to cover the financial stability of the nation's health care system, rating the financial safety of more than 6,000 health insurance providers, health maintenance organizations (HMOs) and all of the Blue Cross Blue Shield plans - updated quarterly to ensure the most accurate information. The Guide also provides a complete listing of all the major health insurers, including all Long-Term Care and Medigap insurers. Our Guide to Health Insurers includes comprehensive, timely coverage on the financial stability of HMOs and health insurers; the most accurate insurance company ratings available-the same quality ratings heralded by the U.S. General Accounting Office; separate listings for those companies offering Medigap and long-term care policies; the number of serious consumer complaints filed against most HMOs so you can see who is actually providing the best (or worst) service and more. The easy-to-use layout gives you a one-line summary analysis for each company that we track, followed by an in-depth, detailed analysis of all HMOs and the largest health insurers. The guide also includes a list of TheStreet.com Ratings Recommended Companies with information on how to contact them, and the reasoning behind any rating upgrades or downgrades. New York Times bestseller Business Book of the Year--Association of Business Journalists From the New York Times bestselling author comes an eye-opening, urgent look at America's broken health care system--and the people who are saving it--now with a new Afterword by the author. "A must-read for every American." --Steve Forbes, editor-in-chief, FORBES One in five Americans now has medical debt in collections and rising health care costs today threaten every small business in America. Dr. Makary, one of the nation's leading health care experts, travels across America and details why health care has become a bubble. Drawing from on-the-ground stories, his research, and his own experience, The Price We Pay paints a vivid picture of the business of medicine and its elusive money games in need of a serious shake-up. Dr. Makary shows how so much of health care spending goes to things that have nothing to do with health and what you can do about it. Dr. Makary challenges the medical establishment to remember medicine's noble heritage of caring for people when they are vulnerable. The Price We Pay offers a road map for everyday Americans and business leaders to get a better deal on their health care, and profiles the disruptors who are innovating medical care. The movement to restore medicine to its mission, Makary argues, is alive and well--a mission that can rebuild the public trust and save our country from the crushing cost of health care. Washington is one of America's most visited cities, drawing millions of tourists each year. This new edition details all of the capital's best cultural and historical sights. Also includes a nightlife section and a gay and lesbian section. Photos. 23 maps. Dave Ramsey explains those scriptural guidelines for handling money. This guide to Malta and Gozo features entertaining and informative accounts of all sights, from the fortified towns of Valleta and Midina to ancient and neolithic temples. Commentaries on history, politics, religion and the environment are also included. The guide to India is a useful handbook to an extraordinary country. The introductory colour section includes photography of the country's many highlights in the 42 Things Not To Miss section, from boating on the backwaters of Kerala to taking in a cricket match at the Oval Maiden in Mumbai. It provides comprehensive accounts of every attraction from the vibrant cities and elaborate temples to Himalayan peaks and palm-fringed beaches. There is also practical advice on activities as diverse as camel trekking in the Rajasthan desert, rafting on the Indus and hiking through the lunar landscapes of Ladakh. The listings sections provide hundreds of insider reviews of the best hotels, hostels, restaurants, bars, shops and museums in every city and village. The authors also give an informed insight into India's history, politics, religion, music and cinema, providing a valuable context to the reader's trip. Get authoritative accounting and auditing guidance. Educate staff on the property and liability insurance industry, its products and regulatory issues, and the related transaction cycles an insurance entity is involved with. This guide contains updates on current GAAP and statutory accounting and audit guidance, as well as relevant guidance contained in standards issued through September 1, 2018 which have a major impact on insurance entities, including: FASB ASU No. 2016-01 and AICPA Q&A Section 7100.15: Insurance Companies and the Definition of Public Business Entity Revenue Recognition Implementation Issue: Considerations for Applying the Scope Exception in FASB ASC

606-10-15-2 and 606-10-15-4 to Contracts Within the Scope of FASB ASC 944

The Rough Guide to The Gambia is the most comprehensive guide to Africa's most accessible country. This second edition, the result of detailed on-the-ground research, reports on exciting new developments including beautiful eco-retreats and imaginative wildlife conservation projects where visitors can see birds, monkeys and chimps at close range. Detailed maps and plans are complemented by expert and upbeat guidance on the beaches, villages and music, the mangrove creeks and the River Gambia itself. There are first-hand reviews of all the best accommodation, restaurant and bar options in the country, both on and off the beaten track, for everyone from shoestring travellers to luxury tourists. The guide is also full of trademark candid insights into Gambian history, politics, music, language and culture. How much do you pay for your auto insurance? If you are reading this, the answer is most likely "too much!" You are looking for information that will help you save your hard-earned dollars, and you have found it. Ten Questions has been completely updated, revised, and expanded for 2012. It has also been reformatted for the Kindle at last, and the most effective way to use the guide is to own both the ebook and paperback versions. Ten Questions is not a book for "dummies," but it is an easy to use, half-hour read, specifically designed to help save you money. It is a comprehensive and detailed explanation of the underwriting process involved in determining the amount of premium you pay. The facts and clear examples included in the guide are based on my years of experience as a top-rated Sales Agent, and the thousands of auto insurance policies I personally have sold. Chapter One, "Risk" will help you understand what factors are used to determine your rating "tier," and how to improve them. The amount of premium you pay is determined by the amount of "risk" you are seen to represent. Much of that determination is made through your answers to a series of questions you will be asked, either online, or in person by an agent. These are the "Ten Questions" referred to in the title. Chapter Two, "Discounts" contains a detailed description of nearly every available auto insurance discount, and how to obtain them. A single 5% discount that you have been missing each policy term is costing you far more than this guide will. You will also gain the knowledge that you will need to progressively lower your rates over time. Chapter Three, "Coverages" is a comprehensive explanation of nearly every available auto insurance coverage, including what each one does, (and does not do) for you, and how to determine the proper balance of cost versus benefit when choosing them. When you finish reading it, you will know more about auto insurance than most agents do. Ten Questions isn't about getting the cheapest policy at the cheapest price: It's about getting the best policy at the best price. Chapter Four, "Sample Quote Process," is your ultimate weapon in getting your new policy, because it details an actual phone quote in real time, along with the "correct" answers to the "Ten Questions." Knowledge is power, and this guide is a very powerful tool that you will be able to use as long as you are driving and insuring vehicles. Advanced Topics is new for 2012, and this section includes "Youthful Driver Strategies," and "State Specific Information," such as a layman's explanation of so-called "No-Fault" coverages, and "Full," versus "Limited" Tort. The Appendix contains all the technical terms that are used in the guide, to help you understand the "trade talk" in the auto insurance industry. This guide will save you money in several ways, including: It will help you find and qualify for discounts. It will show you how to improve your rating tier, and lower your "base rate." It will help you allocate your premium dollars more effectively, so that you get the best coverage at the best price. Find out what the insurance companies don't want you to know, like the fact that you can switch carriers any time you want, as often as you want. You do not have to wait until your current policy renews in order to do so. Learn the answers to the Ten Questions today, and get a better

policy for less money, tomorrow. The Rough Guide to the USA is the most comprehensive and colourful guide to the fifty states available. There are lively accounts of every region and attraction from the bright lights of Broadway to the vast open plains of Wyoming. The guide gives refreshingly opinionated reviews of the established sights and landmarks as well as uncovering many of the lesser-known gems, allowing the visitor to make the most of their trip. There are feature boxes that provide information on a variety of subjects from the Delta blues to the geology of the Grand Canyon. There are also maps and plans to help you navigate around the major attractions, inner city streets or interstates Venture across every inch of this prosperous and stable central European country, from the cosmopolitan capital of Vienna--packed with cultural offerings and late-night musikcafes--to the awesome Alpine backwaters of the Tyrol or winemaking villages. Learn how to stretch your budget in what can be an expensive country to visit. 40 maps. color photos. This guide to Barbados provides practical travel information, candid reviews and historical and cultural details. There are tips on finding the best beaches, features on the island's history, its rum distilleries, and cricket. There is a strong section on sport, including hiking/walking routes. Montreal and Quebec City are like outposts of European culture in the heart of Canada just hours from the US, distinctively Canadian but with a palpable French spirit. The Rough Guide to Montreal takes you through everything in great detail, providing informative and entertaining accounts of what the city has to offer in terms of attractions, restaurants, accomodation and its vibrant nightlife. There is extensive coverage of Quebec City, as well as the snow-capped peaks of the Laurentian Mountains and Eastern Townships, all accessible day-trips from Montreal. In each chapter there are detailed maps and plans covering every neighbourhood. The contexts section includes a useful French language section and glossary. The definitive handbook to the island with in-depth coverage of Mao, Ciutadella and all the sights, from megalithic monuments to fine old country mansions. Includes up-to-the-minute recommendations of the best places to eat, drink and stay, in all price ranges, and practical tips on the island's favourite walking routes, plus the pick of the beaches. Accomodation - Eating and drinking - Shops and markets - Music and night life - Festivals and events - Paris suburbsn\_ Rough Guides har eksistert i mer enn 30 år og er kanskje verdens mest populære reisehåndbokserie. Guidene gir informasjon om stedets kultur, historie og severdigheter. De er kjent for å gi detaljerte opplysninger om overnatting, restauranter, sport og aktiviteter - også for lavere reisebudsjetter. From in-depth coverage of ten great national parks to the high-rolling pace of Las Vegas and the laid-back charm of Santa Fe, this new "Rough Guide" leaves no canyon, desert, or town unexplored. of color maps and photos. Considered the industry standard resource, this guide provides practical guidance, essential information and hands-on advice on the many aspects of accounting and authoritative auditing for employee benefit plans. This new 2016 edition is packed with information on new requirements -- including the simplification of disclosure requirements for investments in certain entities that calculate net asset value per share (or its equivalent), the simplification of disclosures for fully benefit-responsive investment contracts, plan investment disclosures, and measurement date practical expedient, and a new employee stock ownership plans chapter that includes both accounting and auditing. Incisive historical and cultural essays illuminate lost Mayan civilizations and their modern descendants while lively reviews point out the best places to eat, drink, and stay in northern Mexico and the Yucatn Peninsula, Guatemala, Blize, Honduras, and El Salvador. 57 maps. of color photos.
