NEW YORK TIMES BESTSELLER “[A] hold-on-to-your-hat, nail-biting story.”—The Washington Post “Slaughter’s best yet, by far.”—Lee Child Will Trent is a brilliant agent with the Georgia Bureau of Investigation. Newly in love, he is beginning to put a difficult past behind him. Then a local college student goes missing, and Will is inexplicably kept off the case by his supervisor and mentor, deputy director Amanda Wagner. Will cannot fathom Amanda’s motivation until the two of them literally collide in an abandoned orphanage they have both been drawn to for different reasons. Decades before, when his father was imprisoned for murder, this was Will’s home. It appears that the case that launched Amanda’s career forty years ago has suddenly come back to life—and it involves the long-held mystery of Will’s birth and parentage. Now these two dauntless investigators will each need to face down demons from the past if they are to prevent an even greater terror from being unleashed. Includes Karin Slaughter’s short story “Snatched” and a preview of the Will Trent novel Unseen “With every page of this story the tension mounts. . . . If you have a hunger for a rich and fulfilling novel then you owe it to yourself to pick up Criminal.”—Huffington Post “A masterpiece of character, atmosphere and riveting suspense, Criminal is the most powerful and moving novel yet from one of the most gifted storytellers at work today.”—Chicago Daily Herald “If you’re into mystery thrillers, then you’re into Karin Slaughter.” —THESKIMM He watches. He waits. He takes. Who will be next . . . THE SILENT WIFE Investigating the killing of a prisoner during a riot inside a state penitentiary, GBI investigator Will Trent is confronted with disturbing information. One of the inmates claims that he is innocent of a brutal attack for which he has always been the prime suspect. The man insists that he was framed by a corrupt law enforcement team led by Jeffrey Tolliver and that the real culprit is still out there—a serial killer who has systematically been preying on women across the state for years. If Will reopens the investigation and implicates the dead police officer with a hero’s reputation of wrongdoing, the opportunistic convict is willing to provide the information GBI needs about the riot murder. Only days ago, another young woman was viciously murdered in a state park in northern Georgia. Is it a fluke, or could there be a serial killer on the loose? As Will Trent digs into both crimes it becomes clear that he must solve the cold case in order to find the answer. Yet nearly a decade has passed—time for memories to fade, witnesses to vanish, evidence to disappear, and lies to become truth. But Will can’t crack either mystery without the help

of the one person he doesn't want involved: his girlfriend and Jeffrey Tolliver's widow, medical examiner Sara Linton. When the past and present begin to collide, Will realizes that everything he values is at stake . . . The No. 1 Sunday Times bestseller! Includes a new afterword by the author • "Slaughter's gift for illuminating large issues through everyday human stories is what makes this book so necessary for anyone who wants to be both a leader at work and a fully engaged parent at home."—Arianna Huffington NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST, NPR, AND THE ECONOMIST

When Anne-Marie Slaughter accepted her dream job as the first female director of policy planning at the U.S. State Department in 2009, she was confident she could juggle the demands of her position in Washington, D.C., with the responsibilities of her family life in suburban New Jersey. Her husband and two young sons encouraged her to pursue the job; she had a tremendously supportive boss, Secretary of State Hillary Clinton; and she had been moving up on a high-profile career track since law school. But then life intervened. Parenting needs caused her to make a decision to leave the State Department and return to an academic career that gave her more time for her family. The reactions to her choice to leave Washington because of her kids led her to question the feminist narrative she grew up with. Her subsequent article for *The Atlantic*, "Why Women Still Can't Have It All," created a firestorm, sparked intense national debate, and became one of the most-read pieces in the magazine's history. Since that time, Anne-Marie Slaughter has pushed forward, breaking free of her long-standing assumptions about work, life, and family. Though many solutions have been proposed for how women can continue to break the glass ceiling or rise above the "motherhood penalty," women at the top and the bottom of the income scale are further and further apart. Now, in her refreshing and forthright voice, Anne-Marie Slaughter returns with her vision for what true equality between men and women really means, and how we can get there. She uncovers the missing piece of the puzzle, presenting a new focus that can reunite the women's movement and provide a common banner under which both men and women can advance and thrive. With moving personal stories, individual action plans, and a broad outline for change, Anne-Marie Slaughter reveals a future in which all of us can finally finish the business of equality for women and men, work and family. "I'm confident that you will be left with Anne-Marie's hope and optimism that we can change our points of view and policies so that both men and women can fully participate in their families and use their full talents on the job."—Hillary Rodham Clinton NEW YORK TIMES BESTSELLER "A complex, gripping and deadly serious novel that reflects anew Slaughter's abundant talent."—*The Washington Post* "An amazing effort . . . This is [Karin] Slaughter's best book to date, and readers unfamiliar with her work will find this one a perfect place to begin."—*Associated Press*

There's no police training stronger than a cop's instinct. Faith Mitchell's mother isn't answering her phone. Her front door is open. There's a bloodstain above the knob. Everything Faith learned in the academy goes out the window when she charges into her mother's house, gun drawn. She sees a man dead in the laundry room, a hostage situation in the bedroom. What she doesn't see is her mother. When the hostage situation turns deadly, Faith is left with too many questions. She'll need the help of her partner, Will Trent, and trauma doctor Sara Linton to get some answers. But Faith isn't just a cop anymore, she's a witness—and a suspect. To find her mother, Faith will have to cross the thin blue line and bring the truth to light—or bury it forever. BONUS: This edition includes an excerpt from Karin Slaughter's *Unseen*. "An absolute master . . . Slaughter creates some wonderfully complex and mature female characters, a distinctive achievement in the world of thrillers."—*Chicago Tribune* "Slaughter has always known how to pace the suspense in her stellar crime novels, but she really outdoes herself here. . . . [She] reveals the heart and soul of her characters within a highly choreographed, unrelentingly suspenseful plot."—*Booklist* (starred review)

We have to be rational in all aspects of our lives. The human subjects have greater responsibility and liabilities to live with peaceful co-existence and more so to maintain natural environment free from agony and disaster. Everyone does agree and our Indian culture has provided space to abide by that. Our constitution as well as the Honorable Supreme Court have undoubtedly emphasizes that need of the hours urgently call for eradicating such menace once for all for socioeconomic development. Let us all unite

together to fight for this noble cause. If we are honest, we have to admit that there are many things we don't understand about God. We do not have final answers to the deep problems of life, and those who say they do are probably living in some degree of delusion. There are areas of mystery in our Christian faith that lie beyond the keenest scholarship or even the most profound spiritual exercises. For many people, these problems raise so many questions and uncertainties that faith itself becomes a struggle, and the very person and character of God are called into question. Chris Wright encourages us to face up to the limitations of our understanding and to acknowledge the pain and grief they can often cause. But at the same time, he wants us to be able to say, like the psalmist in Psalm 73: "But that's all right. God is ultimately in charge and I can trust him to put things right. Meanwhile, I will stay near to my God, make him my refuge, and go on telling of his deeds." Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . Lamb to the Slaughter is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today. NEW YORK TIMES BESTSELLER • Features a new introduction on the origins of the Will Trent novels and Broken's place in the series Karin Slaughter's internationally bestselling novels are as notable for their vivid portraits of lives shadowed by loss and heartbreak as they are for their dramatic criminal investigations. Broken features the return of her most compelling characters and introduces memorable new ones in a tale of corruption, murder, and confrontation that will leave more than one life . . . When Special Agent Will Trent arrives in Grant County, he finds a police department determined to protect its own and far too many unanswered questions about a prisoner's death. He doesn't understand why Officer Lena Adams is hiding secrets from him. He doesn't understand her role in the death of Grant County's popular police chief. He doesn't understand why that man's widow, Dr. Sara Linton, needs him now more than ever to help her crack this case. While the police force investigates the murder of a young woman pulled from a frigid lake, Trent investigates the police force, putting pressure on Adams just when she's already about to crack. Caught between two complicated and determined women, trying to understand Linton's passionate distrust of Adams, the facts surrounding Chief Tolliver's death, and the complexities of this insular town, Trent will unleash a case filled with explosive secrets—and encounter a thin blue line that could be murderous if crossed. Spellbinding and keenly paced, Broken is Karin Slaughter at her best. Here is an unforgettable story of raw emotions, dangerous assumptions, the deadly and layered game of betrayal, and a man's determination to expose the most painful of human truths—no matter how deeply they're hidden . . . or how devastating. The transport of farm livestock was the subject of the seminar held from 7 - 8 July 1981 at the Commission of the European Communities (CEC, Directorate General for Agriculture, Brussels as part of the work of the Division Coordinating Agricultural Research. The aims of the seminar were to examine the knowledge available on how the physiology and behaviour of animals may change during transport; to consider the significance of these changes in relation to welfare and economics and to assess those actions which as experimental projects or observational studies might be proposed to fill the most important gaps in our knowledge of the welfare of farm animals during transport. A number of conclusions can be drawn from the proceedings: 1. Much knowledge is available from both scientific observations and practical experience which could be used to improve the transport of livestock. Methods of loading,

the construction of vehicles, ships, crates and aircraft could benefit from the application of existing knowledge. It is less clear whether it is best to concentrate on disseminating existing knowledge by education and advice or to contemplate more regulations.

2. Losses by down-grading at slaughter can largely be attributed to the ways in which animals are transported and handled.

Instant New York Times Bestseller! New York Times bestselling author Karin Slaughter brings back Will Trent and Sara Linton in this superb and timely thriller full of devious twists, disturbing secrets, and shocking surprises you won't see coming

A mysterious kidnapping On a hot summer night, a scientist from the Centers for Disease Control is grabbed by unknown assailants in a shopping center parking lot. The authorities are desperate to save the doctor who's been vanished into thin air. A devastating explosion One month later, the serenity of a sunny Sunday afternoon is shattered by the boom of a ground-shaking blast--followed by another seconds later. One of Atlanta's busiest and most important neighborhoods has been bombed--the location of Emory University, two major hospitals, the FBI headquarters, and the CDC. A diabolical enemy Medical examiner Sara Linton and her partner Will Trent, an investigator with the Georgia Bureau of Investigation, rush to the scene--and into the heart of a deadly conspiracy that threatens to destroy thousands of innocent lives. When the assailants abduct Sara, Will goes undercover to save her and prevent a massacre--putting his own life on the line for the woman and the country he loves. The author relates his experiences working five months undercover at a slaughterhouse, and explores why society encourages this violent labor yet keeps the details of the work hidden.

NEW YORK TIMES BESTSELLER • Features a new introduction on the origins of the Will Trent novels and Triptych's place in the series "Crime fiction at its finest."—Michael Connelly

From Atlanta's wealthiest suburbs to its stark inner-city housing projects, a killer has crossed the boundaries of wealth and race. And the people who are chasing him must cross those boundaries, too. Among them is Michael Ormewood, a veteran detective whose marriage is hanging by a thread—and whose arrogance and explosive temper are threatening his career. And Angie Polaski, a beautiful vice cop who was once Michael's lover before she became his enemy. But unbeknownst to both of them, another player has entered the game: a loser ex-con who has stumbled upon the killer's trail in the most coincidental of ways—and who may be the key to breaking the case wide open.

In this gritty, gripping firecracker of a novel, the author of the bestselling Grant County, Georgia, series breaks thrilling new ground, weaving together the threads of a complex, multilayered story with the skill of a master craftsman. Packed with body-bending switchbacks, searing psychological suspense and human emotions, Triptych ratchets up the tension one revelation at a time as it races to a shattering and unforgettable climax.

NEW YORK TIMES BESTSELLER • Karin Slaughter, author of the bestselling Will Trent novels, is widely acclaimed as "one of the best crime novelists in America" (The Washington Post). Now she delivers her first stand-alone novel: an epic story of a city in the midst of seismic upheaval, a serial killer targeting cops, and a divided police force tasked with bringing a madman to justice.

Atlanta, 1974: As a brutal murder and a furious manhunt rock the city's police department, Kate Murphy wonders if her first day on the job will also be her last. She's determined to defy her privileged background by making her own way—wearing a badge and carrying a gun. But for a beautiful young woman, life will be anything but easy in the macho world of the Atlanta PD, where even the female cops have little mercy for rookies. It's also the worst day possible to start given that a beloved cop has been gunned down, his brothers in blue are out for blood, and the city is on the edge of war. Kate isn't the only woman on the force who's feeling the heat. Maggie Lawson followed her uncle and brother into the ranks to prove her worth in their cynical eyes. When she and Kate, her new partner, are pushed out of the citywide search for a cop killer, their fury, pain, and pride finally reach the boiling point. With a killer poised to strike again, they will pursue their own line of investigation, risking everything as they venture into the city's darkest heart. Relentlessly paced, acutely observed, wickedly funny, and often heartbreaking, Cop Town is Karin Slaughter's most powerful novel yet—a tour de force of storytelling from our foremost master of character, atmosphere, and suspense.

Features a preview of Karin Slaughter's next novel, Pretty Girls "Karin Slaughter is simply one of the best thriller writers working today, and Cop Town shows the author at the top of her

game—relentless pacing, complex characters, and gritty realism, all set against the backdrop of a city on the edge. Slaughter's eye for detail and truth is unmatched. . . . I'd follow her anywhere."—Gillian Flynn "Cop Town proves Karin Slaughter is one of America's best writers. . . . She pulls her readers into a twisted tale of mystery and keeps them fascinated from start to finish."—The Huffington Post "Stunning . . . Karin Slaughter breaks new ground with this riveting story. If you haven't yet read her, this is the moment."—Michael Connelly "Compulsively readable . . . will have your heart racing."—O: The Oprah Magazine "Intense . . . engrossing . . . evocative . . . [Karin Slaughter's] first stand-alone novel [has] a gritty, action-packed plot and strong, believable characters."—Associated Press "Slaughter graphically exposes the rampant racism, homophobia, and misogyny of cop culture in the 1970s. . . . Winning leads, the retro setting, and a riveting plot make this one of Slaughter's best."—Booklist (starred review) "Superb . . . explosive . . . [Cop Town] is sure to win over readers new to Slaughter's work while reminding old fans of her enormous talent."—Library Journal (starred review) 'One of the boldest thriller writers working today!' TESS GERRITSEN 'Her characters, plot, and pacing are unrivalled' MICHAEL CONNELLY

A heart-racing thriller from the number one Sunday Times bestselling author of *Pieces of Her* and *Girl Forgotten*. A missing girl. A family torn apart. An unsolved mystery. Until now. Twenty years ago, Claire and Lydia Scott's older sister, Julia, vanished without a trace. Her disappearance had a devastating effect on their family. Now another teenage girl is missing, and the circumstances of her disappearance are hauntingly similar to Julia's. It's up to Lydia and Claire to revisit their past, unearthing the secrets that destroyed their family all those years ago. But will they be able to face what they find along the way?

Crime and thriller authors know there is nothing better than a little Slaughter: 'I would follow her anywhere!' GILLIAN FLYNN 'Passion, intensity, and humanity' LEE CHILD 'A writer of extraordinary talents' KATHY REICHS 'Fiction doesn't get any better than this!!' JEFFERY DEAVER 'A great writer at the peak of her powers' PETER JAMES 'Raw, powerful and utterly gripping' KATHRYN STOCKETT 'With heart and skill Karin Slaughter keeps you hooked from the first page until the very last..' CAMILLA LACKBERG 'Amongst the world's greatest and finest crime writers!!' YRSA SIGURÐARDÓTTIR Daniel Jonah Goldhagen has written an original and important study of genocide that reconceives its very nature. He does so not by examining a series of genocides but by exploring the nature of mass killing itself. Our failure to clearly describe, explain, and understand the mechanisms of genocide has made it difficult to prevent, and this book will change that. Through exhaustive research, he brilliantly lays out the roots and motivations of mass slaughter, exploring such questions as: Why do genocides occur? What makes people willing to slaughter others? How do cultural beliefs justify genocide among groups of people? Why has the world been so ineffective in reducing the incidence of genocide? Based on his thoroughgoing reconceptualization of genocide, Goldhagen proposes novel, sensible, and effective measures to put an end to this scourge of humanity, which is worse, even, than war. With the unflinching moral and analytical clarity that he is internationally known for, Goldhagen leaves no stone unturned in this groundbreaking book that will not only transform our understanding of genocide, but every person and political leader who reads it. Margaret Killjoy's Danielle Cain series is a dropkick-in-the-mouth anarcho-punk fantasy that pits traveling anarchist Danielle Cain against eternal spirits, hypocritical ideologues, and brutal, unfeeling officers of the law. The story continues with *The Barrow Will Send What it May*. Now a nascent demon-hunting crew on the lam, Danielle and her friends arrive in a small town that contains a secret occult library run by anarchists and residents who claim to have come back from the dead. When Danielle and her crew investigate, they are put directly in the crosshairs of a necromancer's wrath — whose actions threaten to trigger the apocalypse itself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Spiritual Entrepreneurs* tells the story of an innovative pastor and leadership team who intentionally led their church to take spiritual risks. By using six principles, renewal can come to any church. These six principles are focus on: (1) Jesus Christ, (2) the Bible, (3) new forms of worship, (4) a commitment to membership, (5) equipping lay people for ministry, and (6) spiritual leadership.

Slaughter believes that church leaders are inspired to work tirelessly when they hear or learn of good-news stories. He also believes that covenants, Christianity training, and an innovative small-group structure are vital in producing high-commitment members. 'One of the boldest thriller writers working today' TESS GERRITSEN 'Her characters, plot, and pacing are unrivalled' MICHAEL CONNELLY _____ FBI Special Agent Will Trent's instinct is put to the test. On assignment at Atlanta's busy airport Will Trent is forced to make a split-second decision. But is it the right one? Multi-million copy, international bestselling thriller writer Karin Slaughter is known for her razor-sharp plotting and her ability to put the reader right at the heart of the crime. Snatched is Karin at her best in a compelling story that will grip you like a vice. An exclusive straight to digital short story from the No.1 bestseller. Includes the opening chapters of Criminal and a taster of Fallen. The Lamb Will Slaughter the Lion by Margaret Killjoy pits utopian anarchists against rogue demon deer in this dropkick-in-the-mouth punk fantasy that Alan Moore calls "scary and energetic." Searching for clues about her best friend's mysterious suicide, Danielle ventures to the squatter, utopian town of Freedom, Iowa, and witnesses a protector spirit — in the form of a blood-red, three-antlered deer — begin to turn on its summoners. She and her new friends have to act fast if they're going to save the town — or get out alive. "Intelligent and fiercely imagined." —Alan Moore "A dark story of the human need for power." —Eileen Gunn "Daring anti-fantasy." — Nick Mamatas "A unique bite of punk culture." — Delilah S. Dawson "Important, thought-provoking...thrilling ride." —Lewis Shiner "Always vivid."—Tobias Buckell "As relatable as it is harrowing." —Leanna Renee Hieber "Utterly engrossing...it refuses to let you go." —Mur Lafferty

Newcomers will discover an unforgettable fantasy adventure where a kingdom's future rests on the shoulders of a talented young man with a knack for making vicious enemies. "I take more comfort from and as great a pleasure in Tamora Pierce's Tortall novels as I do from Game of Thrones." --The Washington Post This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

Kurt Vonnegut's masterpiece, *Slaughterhouse-Five* is "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time). Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." More than fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. #1 NEW YORK TIMES BESTSELLER! This must-read fantasy from an author who is legend herself--Tamora Pierce--is one Bustle calls "the perfect book for die-hard Pierce fans and newcomers alike." Two girls are forced into the woods at gunpoint. One runs for her life. One is left behind... Twenty-eight years ago, Charlotte and Samantha Quinn's happy small-town family life was torn apart by a terrifying attack on their family home. It left their mother dead. It left their father — Pikeville's notorious defense attorney — devastated. And it left the family fractured beyond repair, consumed by secrets from that terrible night. Twenty-eight years later, and Charlie has followed in her father's footsteps to become a lawyer herself — the ideal good daughter. But when violence comes to Pikeville again — and a shocking tragedy leaves the whole town traumatized — Charlie is plunged into a nightmare. Not only is she the first witness on the scene, but it's a case that unleashes the terrible memories she's spent so long trying to suppress. Because the shocking truth about the crime that destroyed her family nearly thirty years ago won't stay buried forever... Packed with twists and turns, brimming with emotion and heart, The Good Daughter is fiction at its most thrilling. What values does America truly stand for? In The Idea That Is America, a preeminent foreign policy scholar elegantly reminds us of the essential principles on which our nation was established: liberty, democracy, equality, tolerance, faith, justice, and humility. Our ongoing struggle to live up to America's great promise matters not only to us, but also to the billions of people everywhere who look to the United States to lead, protect, and inspire the world. In The Idea That Is America, Anne-Marie Slaughter shows us the way forward. Just over one inch thick, The Message Thinline slips easily into your bag, your desk, and your life; it's a high-quality reading Bible without being bulky. The Message translation awakens longtime Bible readers and welcomes new believers into the passion and personality that fill God's Word. What features make this a great reading Bible? A single-column layout lets you enjoy reading the Bible as much as your favorite book. Two satin ribbon markers help you keep your place. An easy-to-read type size allows for a comfortable reading experience. "The Story of the Bible in Five Acts" shows you the big picture. The Message is a reading Bible translated from the original Greek and Hebrew Scriptures by scholar, pastor, author, and poet Eugene H. Peterson. Thoroughly reviewed and approved by twenty biblical scholars, The Message combines the authority of God's Word with the cadence and energy of conversational English. New York Times bestselling author Karin Slaughter is acclaimed for her novels of heart-stopping suspense, edge-of-your-seat intrigue, and richly imagined characters. And when Slaughter created detective Will Trent she broke the mold. While displaying an uncanny knack for reading people, solving puzzles, and cracking cases at the Georgia Bureau of Investigation, Detective Trent navigates the varied relationships with the women in his life: vice cop Angie Polaski, supervisor Amanda Wagner, partner Faith Mitchell, and Dr. Sara Linton. This gripping eBook bundle contains seven novels in the Will Trent series, including: TRIPTYCH FRACTURED UNDONE BROKEN FALLEN CRIMINAL UNSEEN Also includes the eBook novellas Snatched and Busted as well as a preview of Karin Slaughter's highly anticipated thriller Cop Town! Praise for Karin Slaughter and her Will Trent thrillers "One of the best crime novelists in America."—The Washington Post "Crime fiction at its finest."—Michael Connelly "Slaughter writes with a razor. . . . Better than Cornwell can ever hope to be."—The Plain Dealer "Slaughter will have you on the edge of your seat."—Seattle Post-Intelligencer "Slaughter's gift for building multilayered tension while deconstructing damaged personalities gives this thriller a nerve-wracking finish."—USA Today, on Triptych "Heart-pounding . . . Trent and Mitchell, a pair of complex and deeply flawed heroes, will leave fans clamoring for the next installment."—Publishers Weekly (starred review), on Fractured "A complicated spider web of secrets and tangles."—Los Angeles Times, on Undone "Addictive . . . Slaughter is a terrific writer, and she keeps the emotional tension

high throughout.”—The Atlanta Journal-Constitution, on Broken “An absolute master . . . Slaughter creates some wonderfully complex and mature female characters, a distinctive achievement in the world of thrillers.”—Chicago Tribune, on Fallen “[A] hold-on-to-your-hat, nail-biting story . . . What raises Slaughter way above the sensational is her wonderful way with characters.”—The Washington Post, on Criminal “No one writes like Slaughter.”—The Huffington Post, on Unseen
