The Man in the Park - 21,500 words by Dante xKerry is a reserved eighteen year old college student that gets accosted in a park by a group of thugs, and is saved by Victor and his dog. They start up a friendship which soon becomes sexual and where he introduces her to all kinds of debauchery. So she can get out in the evenings to see Victor, she gets her friend Amy to cover for her, but Amy also wants to join in the fun. They all go out dogging and then get invited to a party at a swinger couples house in Ashridge Forest, England. Lots of interesting action between girls, guys and even Duan a Transsexual at the swingers party who takes a fancy to Amy. Duan lives with Peter and Dean who are quite wealthy and live close by in Watford. And because Duan likes Amy who is having issues at home with her mums boyfriend, she moves in... Story involves Dogging, Young and Old, Molly, Ecstasy, Sex Toys and Insertions, Group, Anal, Car Park soft play, Swingers party, MMF, FFM, MMMF, MM, FF and a Lady-boy with huge cock. Excerpt from Chapter 2 "Well, couldn't you tell your mum you're going to meet a friend this evening or go to the cinema... Then you could pop back here or we could go out in the car and see if any doggers are out tonight...?" His finger was already inside me and I was moaning, but then he pushed two fingers in and started doing it really fast. Suddenly I cum, jerking on his lap, and he was kissing me on my mouth. I couldn't stop myself and wanted him to do whatever he wanted. "Hmm... that was a nice cum Kerry... let's stand you up and bend you over." I eased myself off his lap as he pushed me down so I was bending over the table. He lifted my skirt and pulled my knickers down to my mid thighs and then held my bum open. "You've got such a beautiful little bottom Kerry, I'm going to pleasure you with my tongue and then I'm going to fuck your tight little pussy again... Would you like that...? Or do you want me to try your bottom again..? I know it was a bit tight last time, but I have some olive oil here and it will make it much easier for you." I couldn't speak as he was licking my bum and pushing his fingers in my pussy, making me moan and grip the edge of the table. Then I felt him pouring some oil on my bum hole, and it was so nice when he pushed his finger in. I nearly had another orgasm but he was doing it too slowly. Then he was rubbing his thing on my pussy and entered me, slowly at first but it went in so easily, I think even he was surprised. As he fucked me he was pushing his fingers in my bum, God it felt so nice. Then he started doing it faster and holding my hips, pulling me onto him as I felt my orgasm building up again. "Are you ready for me to try your other hole again...?" I whimpered yes through my moans. He pulled it out really quickly making me shudder and sending me over the edge, I'd never cum so fast in my life. He held me still as I jerked a few times, then pushed me back down and told me to hold my bum cheeks open. I did what he said and felt his cock pressing on my anus, it slipped in so easily and didn't hurt at all. "You play with your pussy while I fuck your arse... I love fucking your pussy Kerry, but I really need to open your bottom... you can't get pregnant if I cum in your bum." He didn't do it for long before he was grunting and I felt him throbbing and ejaculating inside me. It was such a weird feeling but really nice as well. "So are you going to come out this

evening or what...?" He asked me as he pulled out and his sperm dribbled down my thighs. "I want to but I need to talk to my friend and get her to cover for me. But what am I going to tell her...? She's going to get all suspicious and ask me why...!" "Well, why don't you ask her to come along as well...?" "Really... You want me to bring her as well...! But I don't know if she's into this. Do you want to fuck her as well then...?" "I don't see why not... Terse. Written in fine prose. Keeps you reading. Highly erotic. Realistic and well paced. Makes you wonder if this a true story." A married woman visits a swingers club to get even with her husband. During the evening she meets "The Man" who exposes a side of herself she never dared dream. He uses her in front of a group of men. You don't want to miss this highly erotic ending.

\*\*\*\*\*  
\*\*\*\*\*A married couple have been talking about visiting The Club for months. They had discussed the rules they would follow. They had decided on what they would wear, and what names they might call each other. And then they kept putting it off. Every couple has fantasies and the idea of achieving those becomes too much of a draw for the husband to wait for his wife. He goes alone and doesn't tell her. It doesn't take long for her to notice the charge on their credit card. After realizing that her husband had gone to The Club alone, the wife decides to do the same. She puts on a dress she hasn't worn who knows how long, and drives herself down. While getting her first steady shots of liquid courage she meets The Man at the main bar. And as always, he makes sure she will have a night to remember. The mystery Man takes her to the back, and shows her what a woman visiting The Club alone will have to look forward to. And it's more than she's ever dreamed of. Will this be her first and last time at The Club? Or will she be its newest regular? Meeting people who have turned their fantasy lives into reality, he uncovers today's swinging Britain and reveals the sexy, shocking and true secrets of what happens behind closed doors." The scandalous debauchery of the playboy tenth Earl of Shaftesbury sent seismic shock waves through the British aristocracy. One of the richest men in the country, he abandoned his loyal wife and two sons for a depraved life of drunken orgies, cocaine and bed-hopping in the South of France. His riotous romp plumbed the depths when he divorced the mother of his children to marry a foreign prostitute, whom he treated lavishly. Within two years, however, he was planning to divorce her to install another from his stable of swingers as Countess and chatelaine of his Dorset mansion and estates. But ugly fate caught up with him. After being reported missing in November 2004, his skeletal remains were found several months later among household rubbish in what had once been a beauty spot on the ritzy French Riviera. The Countess and her psychopath brother were convicted of the premeditated murder, committed in a desperate attempt to retain the titled status and a lion's share of the inheritance before the Earl had changed his will. The full, tawdry story has never been told - until now. People privy to the Earl's darkest secrets have been tracked down and have filled in vital gaps never revealed or published before. In this meticulously researched book, the author has unearthed truths beyond the most warped imagination. This is the shocking true account of how an ancient and distinguished aristocratic family found its reputation blackened almost beyond repair. This novel, part of a series, is about a private group of people of like mind and backgrounds who share their partners with others in a closed, safe environment. Here you will find stories about your friends and neighbors (with their names changed of course) and real stories about the wonderful world of swinging (to borrow a phrase). They are local, live here, and are not into risky behavior, are healthy, loving, and protective and furthermore, can be trusted. These folks around you today, and others you may meet in the future could possibly become your very best of friends, friends you will share everything with, or they may not . . . but you would have a connection with them that usually doesn't usually exist among 'just friends' and surely not on board a ship or at a resort in the tropics." "Now, Let's take a breath. . . . this story follows three couples, just like you or me who decide to allow their partners freedom in choosing to have a relationship with others of a like mind, if only for a short while. Here in these stories each of us is free to be free, if only for the evening. For readers of Tom Perrotta and Lorrie Moore, these nine unforgettable stories, all set in and around Cape Canaveral, showcase Patrick Ryan's masterly understanding of regret and hope, relationships and family, and the universal longing for love. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY St. Louis Post Dispatch • Refinery 29 • Electric Literature The Dream Life of Astronauts balances heartbreak with wry humor as its characters try to make sense of

the paths they find themselves on. A would-be Miss America auditions for a shady local talent scout over vodka and Sunny D; a NASA engineer begins to wonder if the woman he's having an affair with is slowly poisoning her husband; a Boy Scout troop leader, recovering from a stroke, tries to protect one of his scouts from being bullied by his own sons; an ex-mobster living in witness protection feuds with the busybody head of his condo board; a grandmother, sentenced to driver's ed after a traffic accident, surprises herself by falling for her instructor. Set against landmark moments—the first moon launch, Watergate, the Challenger explosion—these private dramas unfurl in startling ways. The Dream Life of Astronauts ratifies the emergence of an indelible new talent in fiction. Praise for The Dream Life of Astronauts “[Ryan] displays a gift for excavating the dashed hopes and yearnings that lie beneath. He is especially adept at capturing the point of view of children, with a Salingeresque understanding of their alienation, their vulnerability, their keen powers of observation.”—Michiko Kakutani, The New York Times “Quietly commanding . . . A wry and smart collection—a beam of intelligent life from an author who clearly likes to probe the outer edges of the familiar.”—Maureen Corrigan, NPR's Fresh Air “Ryan is a master of that old-fashioned, captivating storytelling that deceptively reads as effortless. . . . Ryan never actually sends his characters into space; but his orbits of the human heart are enough.”—The New York Times Book Review “Ryan brings a wry sense of intimacy to these dreamers who are always searching for a better life, for something new.”—BBC “Patrick Ryan's short stories go down lightly—but that doesn't mean they're lightweight. In the best of them, Ryan's transparent prose and seemingly casual tone sneakily ensnare you in tough moments and wryly rueful deflations of the heart and spirit.”—The Seattle Times “You don't have to be a rocket scientist to appreciate this funny collection of stories set around Cape Canaveral. Moon missions and shuttle launches take a backseat to the earthly predicaments faced by the eclectic cast of Boy Scouts, gangsters, grandmothers and beauty queens.”—The Atlanta Journal-Constitution “There is humanity and heart in each one of these tales, all rendered with nuance and depth that will leave a mark on your thoughts long past the final pages.”—Refinery29 “Patrick Ryan's characters are people who are a little more beaten down than they know. They are not introspective by default, and yet, due to circumstances, they are forced to look into themselves and find something that, in his own phrase, feels like life.”—Literary Hub “The author illuminates [his] characters with pitch-perfect dialogue and period references that capture the various decades in which the stories take place.”—Publishers Weekly A Collection of Cuckold stories - Real swinger and first time wife sharing stories.20,700 words by Dante.ContentsChapter 1 -Mark and LizbethChapter 2 - Ian and KateChapter 3 - DavidChapter 4 - Layla and AdamChapter 5 - GinaExcerpt from Chapter 2.Over the next few nights, Ian wanted me to tell him what happened again as he played and made me orgasm over and over again. And every time I thought about Trevor's big cock and how it felt when he cum all over my hand, I got so turned on and had these weird feelings in my stomach.Then during the day on Thursday, I received a surprise text from Trevor, he said he wanted to meet me after work on the Friday evening as Sharon was going to her sisters for the weekend. I didn't answer as it was obvious what he wanted and I was so shocked he even had the nerve to ask. I couldn't tell Sharon but God knows why... I decided to tell Ian. He was ever so quiet that evening... and when we went to bed, I was wondering if I'd done the right thing... but we started talking, and he asked me if I loved him...? I told him of course and we ended up making love and falling asleep hugging each other. But in the middle of the night, I woke up with him licking between my legs and had an incredible orgasm. Then he slid up the bed and lay next to me, talking about me meeting Trevor and letting him do whatever he wanted to me, and even letting him fuck me with his huge cock. I'd never been to turned on in my life and Ian said he wanted me to meet him for real. I told him I couldn't, so he asked me, if I'd do it if he was there as well...?I was so confused but he kept saying he wanted me to try a big cock, and made me text Trevor back saying we were in bed making love, and I'd told my husband what happened and he wants me to meet him. It was 4.30 AM and I didn't expect to get a reply till later, but he texted back immediately saying, he really wanted to meet me and if my husband wanted to watch and take pictures or film it, he was OK with it as well. Ian told me to answer him and set up the meeting. I was getting really apprehensive and thinking about it all day at work, wondering if I could go through with it knowing we were going to be meeting Sharon's husband at a hotel that evening. And when I got home I was going to call it off, but Ian made me dress up in stockings and a short dress, and called Trevor to have a chat to clear the air he said. Then we jumped in the car and drove to the

hotel, I was so nervous I couldn't stop shaking. We met him in the bar and had a few drinks and Trevor told Ian not to worry as he was used to being the bull at swinger parties and he'd respect our limits. Ian explained that we'd never done anything like it before, but he was so turned on when I'd told him what happened, he convinced me to come. We had another drink and Trevor told Ian, most guys like to video it and take pictures so they can watch it again in private and he could join in later if I wanted him to. Ian agreed and asked me if I was ready to go to the room..?Trevor saw I was trembling and put his arm around my shoulders, kissed me on the cheek and said, "Don't worry, I'll be gentle and make sure you enjoy it." Then slipped his hand down and caressed my thighs as Ian sat staring at his hand going between my legs. I gripped his shoulders as he entered me and stared back at Ian. He eased out and showed Ian his fingers, saying how nice and wet I was and that he couldn't wait to taste me. We all got up and Trevor held my hand as we walked through the bar to the foyer with Ian following behind. As soon as the elevator doors closed, he pulled me towards him and cupped my bottom, pulling me up and kissing me on the mouth. He was much bigger than Ian and picked me up like a rag doll. As the door opened he gave Ian the key and told him to go to room 253 and open the door. Still holding my hand, he led me into the bedroom, told Ian to sit ... Jazz in Nazi-era and postwar Germany, as lived by a Jewish prodigy who survived the horrors of Theresienstadt and Auschwitz. "Coco, it's not important what you play. It's important how you play it," said Louis Armstrong to jazz and swing guitarist Coco Schumann during a break between sessions. Recalling this episode Schumann reminds readers that even in the midst of real-world nightmares, music is alive and musicians experience this essential freedom and hope, which they can, in turn, give to their audiences. Throughout his remarkable life, Coco Schumann (b. 1924) would accumulate accolades, including the Order of Merit from the Federal Republic of Germany in 1989 and the prestigious Ehrenpreise Lifetime Achievement Award in 2015, and play with jazz greats Toots Thielemans, Dizzy Gillespie, Louis Armstrong, Ella Fitzgerald, and others. But few knew he relied on composing music and performing for live audiences to ease the burden of his wartime memories. After forty years of silence Schumann's memoir opened a rare window into the previously unknown life of one of Germany's most renowned musicians, who was a member of the vibrant and illegal Berlin club scene, a part of the cultural revival of postwar Berlin, and a survivor of Theresienstadt (Terezin) and the horrors of Auschwitz. Relationship expert and bestselling author Tristan Taormino offers a bold new strategy for creating loving, lasting relationships. Drawing on in-depth interviews with over a hundred women and men, *Opening Up* explores the real-life benefits and challenges of all styles of open relationships — from partnered non-monogamy to solo polyamory. With her refreshingly down-to-earth style and sharp wit, Taormino offers solutions for making an open relationship work, including tips on dealing with jealousy, negotiating boundaries, finding community, parenting and time management. *Opening Up* will change the way you think about intimacy. The wryly amusing and revealing story of one man's journey into the swinger lifestyle that pulls back the curtain on this fascinating, and often misunderstood, subculture. An estimated fifteen million strong worldwide, swingers are everywhere - a huge community, hiding in plain sight, whose erotic pastime remains a complete mystery to the rest of us. In *Swingland*, Daniel Stern outs himself and the secretive society he loves, recounting his ten-year transformation from a lonely guy who couldn't get a date into a veteran sexual adventurer. *Swingland* is much more than just a titillating exposé - there is also plenty of invaluable advice for those thinking of taking the plunge themselves (be honest, sensitive and hygienic!). Lovingly written, with a keen sensibility, Stern's narrative is as improbably safe as it is fun - and impossible to put down. The true sexual autobiography of Patty Wentwyth, Terry O'Day's younger Swinging wife, told as her own testimony in a trial in which she is charged with adultery with over 100 different men and women? and even a machine? over a period of a dozen years. The evidence used against her by the moralistic prosecutor is from the actual "morning-after" journals written in her and her husband's own handwriting and self-published in *"Swingers and Lovers"*. She is also the co-author of *"Swinging, Real Stories by Real Swingers"*. From the first timid suggestion to the wildest of multipartner sexual connections, real world swingers describe their adventures in the (almost) anything-goes-landscape of the swing community. Bridget and Jan describe their own first visit to a swing club... Julia and Sean discover the joys of three way play... and dozens of other singles and couples share intimate moments in a world most people only dream of! Eastern North Carolina is a land of contrasts, and its crime stories bear this out. A lovelorn war hero or a stalker? Conniving wife or consummate homemaker? Murder or suicide? The answers can be as puzzling as the questions. Mystery author Cathy Pickens details an assortment of quirky cases, including a duo of poisoning cases more than one hundred years apart, a band of folk hero swamp outlaws, sex swingers and a couple of mummies. Each story has, in its way, helped define Eastern North Carolina and its history. A sports hero seeks a comeback in this wildly funny and ultimately redemptive novel. His name, as we all know, is Herbert X. "Tree" Tremont, and he's the richest and most celebrated athlete of our time—a multicultural golfing icon with fifty-three Tour wins, thirteen major victories, a smoking hot wife, and two adorable kids. But when a reporter uncovers evidence that Tree's sexual appetites are as prodigious as his tee shots, his public and private lives collide, producing the juiciest scandal in sports history. In this wickedly funny novel that takes readers between the ropes and the sheets of the PGA Tour as never before, the only thing more entertaining than Tree's downfall is his quest for redemption. "Lydia ducked her head down and began to kiss the inside of Pippa's thighs. She moved from one to the other as she slowly made her way to the feast that lay between her legs. Pippa trembled with ecstasy at the touch of the blonde girl's lips. The thought of what that clever tongue would do to her made her sob in anticipation." Bored housewife Pippa is at her wits' end: since moving to a sleepy town, she and her husband David have been in a sexual rut. When Pippa finds porn on her husband's laptop, she discovers his appetite for kinky sex. Pippa also discovers something else: she is as turned on by the films as he is. Then, a chance encounter with a neighbour introduces Pippa to the world of Swingers, and she and her husband embark on a lusty adventure of wife-swapping and group sex. Terry O'Day, author of the Swingers Swinging book series, writes about the "early" days when he thought his Swinging Lifestyle was about over. The erotic autobiography of an older Swinger who writes his memoirs after almost twenty years in the "Lifestyle". True stories, told in exquisite detail, about his sex life from wife-swapping and wife-sharing, to full blown orgies. He tells about discovering the "Pleasure of Sharing Your Mate's Pleasure" and he writes about his fantasies as well as the real experiences. Many readers will identify with his fantasizing and envy his real experiences. Significant is the fact that he did not start "Swinging" until his second marriage when he was in his mid-fifties. Full of insight into how an ordinary man can enjoy an extraordinary sex life. "Regrets? I've had a few. But too few to mention." Written by the co-author of "Swinging? Real Stories by Real Swingers" and, later, the sole author of the "Swingers Swinging" series of books about the lives of real Swingers. John Gennari sets out on a quest to find tutti, the everythingness that sits on the edgenow smooth, now serrated between Italian America and African America. Tutti, a black friend of his says, the unshakeable belief in beauty, in overflow, in everythingness, the bursting, indelible beauty in a world where there is so much suffering and wounding and pain . . . . Frank Sinatra's legend has meanwhile grown through the idolatry of a new hip-hop generation, we see octogenarian Tony Bennett (Anthony Dominick Benedetto) undertaking concert tours with 20-something Lady Gaga (Stefani Angelina Germanotta) while Mario Batali continues to imperialize and monetize Italian cuisine, and Rick Pitino and other Italian American coaches shape championship rounds of college basketball. The essential argument about American culture, Gennari persuasively insists, is the argument about race specifically, whether blackness, as supporters of jazz exhorted, is an essential ingredient of American cultural reality, or whether, as white nativists warned, going back to the 1920s, it is a dangerous threat to national identity, a force of cultural degeneracy. By the early 60s, Motown had set up cross-racialism by modeling the figure of the Italian pop ballad singer (and Marvin Gaye cut four ballads-and-standards Motown albums, his touchstones being Nat King Cole but also Sinatra and Perry Como). Gennari deftly sketches the interweavings of Italian and African American popular music from jazz to doo wop, soul to hip hop, including the surprising history of Italians in New Orleans music early in the 20th century. Then there's Spike Lee's *Do the Right Thing*, evoking the racism of Howard Beach and Bensonhurst, but showcasing the untarnished Brooklyn neighborhoods of Cobble Hill and Carroll Gardens. New York and New Jersey and New Haven are at the center of this remarkable book

about the intermingling, mergers, contact zones of African America and Italian America, a big space where territorial masculinity vibrates with robust matriarchal energy; where traditions of singing, dancing, and eating embrace the funky vitality and unembarrassed pleasures of the body; where ear-and-eye intensive sensibilities mark extroverted, charismatic presentations of the public self; a history, complicated to be sure, of collaboration, intimacy, hostility, and distancing. Gennari writes with passion, drawing on black and Italian cultural history, literature, food TV, performance art, and cultural criticism to explore the alterations of pain and pleasure, suffering and joy, deprivation and abundance which have produced so much music, cuisine, athletic prowess, and cinema full of flavor and soulfulness intrinsic to the nation's spirit and psychic health.
